

Remarks

Claims 1-10, 16-27, and 29 remain pending in the application.

The Office Action asserts an inconsistency exists between the drawings and the Brief Description of the Drawings in the specification. Specifically, the Office Action asserts Figure 10C is contained in the Drawings but not listed in the Brief Description of the Drawings in the Specification. The Specification is amended to add a brief description of Figure 10C to the Brief Description of the Drawings. Therefore, withdrawal of this rejection is respectfully requested.

Conclusion

This response has addressed all of the Examiner's grounds for rejection.
